SAVE THE DATE:

National Night Out 2016 - Tuesday, August 2, 2016

On Tuesday, August 2nd, residents throughout
Lindenwold are being invited to join forces with
thousands of communities nationwide for the "33rd
Annual National Night Out" (NNO) crime and drug
prevention event. National Night Out, which is sponsored
by the National Association of Town Watch (NATW) and co-
sponsored locally by Lindenwold Municipal Alliance and
Lindenwold Police Department, will involve over 16,728 communities from all 50 States,
U.S. Territories, Canadian cities and military bases around the world. In all, over 38.3 million
people are expected to participate in "America's Night Out Against Crime".

National Night Out is designed to: (1) Heighten crime and drug prevention awareness;
(2) Generate support for, and participation in, local anticrime efforts; (3) Strengthen
neighborhood spirit and police-community partnerships; and (4) Send a message to
criminals letting them know neighborhoods are organized and fighting back. Lindenwold
Municipal Alliance and Lindenwold Police will be hosting a community event at
Lindenwold Park from 6 to 9pm.

National Night Out is a night for America to stand together to promote awareness, safety
and neighborhood unity. National Night Out showcases the vital importance of police-
community partnerships and citizen involvement in our fight to build a safer nation. On
NNO, we invite all residents of Lindenwold to join us in Giving Crime & Drugs a Going Away
Party.

Activities are planned and refreshments will be served. More details regarding the event
will be posted on the Lindenwold Police Department website at www.lindenwoldpd.com
and the Lindenwold Police Department Facebook Page LindenwoldPD as they are finalized.

Please join the Lindenwold Municipal Alliance and Lindenwold Police Department on
August 2nd at Lindenwold Park from 6pm to 9pm.

Automated TRASH COLLECTION

RECYCLE
CONTAINER
BLUE LID
TRASH
CONTAINER
BLACK LID

THE
FUTURE
IS HERE

Automated trash and recycling collection will begin in the Borough of Lindenwold in **December 2016**. This represents the Borough's continuing effort to provide the best service at the lowest cost to the residents of Lindenwold. Automated collection is a faster, safer service that requires fewer workers than the hand loading of trash and recycling. Automated collection is trash and recycling picked up by the automated trucks using mechanical arms. The program will increase recycling, reduce litter and decrease the amount of trash sent to the incinerator. Other benefits include uniform trash and recycling carts, resulting in a cleaner and neater neighborhood. The wheeled carts are easy to maneuver and come with hinged lids designed to keep the contents inside. The new automated system will eliminate the need for trash collectors to ride on the back of trucks or to lift heavy containers resulting in improved worker safety, and most importantly, this new collection is being provided by your own Public Works Department.

THE CART SERVICE...

- * Two carts will be assigned to every address. The black cart with the black lid is for trash. The black cart with the blue lid is for recycling. The lids will be marked accordingly. The carts are assigned to each address and must remain at that address. The carts are the responsibility of the homeowner, but the **property of the Borough of Lindenwold**. If the home is sold, the carts must remain with the property, otherwise the carts will be considered stolen and reported to the Police Department. A second trash cart may be requested, however, there will be a one-time fee of \$65.00 for the use of the second cart and will also be the **property of the Borough of Lindenwold** that must remain at that address. If you would like to have a second trash cart, please call the Public Works at (856)783-1848 to make arrangements.
- * Please do not paint or mark the containers in any way. Each can is registered to your specific address and recorded with a serial number so no other identification is necessary. If the serial number

is unknown, it can be obtained by calling the Public Works Department (856) 783-1848.

- * Regular trash cans, bags and/or carts purchased privately cannot be used with this new system and will not be collected. The new carts hold 96 gallons, which is the equivalent of three or more normal trash cans.
- * Carts must be set out on your collection day before 6:30 AM. The carts must be set out with the wheels and handle facing your home and the arrow on lid pointing to the roadway. Place carts at least 10-feet away from any car and 2 feet from any other items like other carts, fences, utility poles, mailboxes or any other items that may prevent the automated truck from emptying it. This is extremely important, as this is the only way for collection to be completed.
- * During inclement weather (Snow), or during the Leaf Collection Program, please place carts behind the curb so as not to interrupt snowplowing and leaf collection.
- * These carts have a 12 year warranty so if your cart is damaged, contact the Public Works at (856) 783-1848. If your cart is lost or stolen, please contact the Lindenwold Police Department at (856)783-4900 to make a Police Report.
- * The collection of bulk items such as furniture, beds, etc. will be completed on your normal trash collection day. Construction debris will no longer be collected. All construction debris must be removed by the contractors if used, or if work is completed by the homeowner, we suggest ordering a dumpster by a private hauler. Small amounts may be brought to the Public Works Department at 861 Gibbsboro Rd.

You can learn more about the new automated collection on the Borough website (www.lindenwoldnj.gov) under the Public Works Department or call the Public Works at (856)783-1848

More Information is to follow...

Getting Married?

Lindenwold residents need to schedule an appointment to apply for their marriage license with the registrar at least 72 hours before the planned ceremony. Appointments are scheduled from 9:00am to 3:30pm, Monday thru Friday. Please call (856) 783-2121, ext.240.

DOOR TO DOOR SOLICITATIONS

Lindenwold residents please beware of door to door solicitations. The Borough of Lindenwold requires a permit for anyone who wishes to solicit door to door. At this time, no one has obtained a permit. If you have any concerns, do not open your door and contact 911.

CONTRACTORS RESPONSIBILITY FOR MATERIAL DISPOSAL

If you plan on having a contractor do any work in your home or on your property, please remind them that it is their responsibility to remove all debris before leaving the job. This is necessary so our Borough does not become a dumping site for all contractors.

Due to the Presidential Election, a heavier turnout is expected. For your convenience, you can Vote by Mail in the comfort of your home. Applications are available on the Camden County Website or pick one up at the Borough Municipal Building. Polls will be open from 6:00am-8:00pm on the General Election on November 8, 2016. Don't forget to check your Sample Ballot for your voting location.

Chief Thomas J. Brennan

LINDENWOLD POLICE DEPARTMENT

2001 Egg Harbor Road

Lindenwold, NJ 08021

Office - (856) 784-7566

Fax - (856) 784-8469

Dispatch - (856) 784-4800

www.Lindenwoldpd.com

The Lindenwold Police Department is pleased to announce that we now have two officers who are certified car seat technicians. Ptlm. Dan LaFountaine and Ptlm. Glen Bailey attended a four day course sponsored by the National Highway Traffic Safety Administration. Both officers are now certified to properly install car seats in passenger cars.

If you have any questions about car seats or their installation, please feel free to email either officer. Ptlm. La Fountaine can be reached at dlafountaine@lindenwoldpd.com. Ptlm. Bailey can be reached at gbailey@lindenwoldpd.com.

If you have a newly purchased car seat and need assistance installing it or would like to make sure that your current car seat is installed properly, please call our office at (856) 784-7566. If either officer is on duty, arrangements will be made to get you the assistance you need.

MEET OUR NEW OFFICERS

On December 19, 2015 four new officers graduated from the Camden County Police Academy Class #66. (l-r) Officers in blue, Jesus Bonilla, Brandon Galeznik, Michael Milewski and Ryan Brennan. All four officers recently completed the Field Training Officer Program and are now assigned to the Patrol Division.

JUNIOR POLICE ACADEMY CLASSES

July 25th thru 29th

8:30am to 3:30pm

The Lindenwold Police Department will host its inaugural Junior Police Academy this summer. The academy will run July 25th thru July 29th at the Police Administration Building, 2001 Egg Harbor Road, Lindenwold. The program runs 8:30am to 3:30pm each day, Monday through Friday. The academy is open to Lindenwold residents ages 11-14 who have an interest in law enforcement and public service and who are in good standing with their school.

The Junior Police Academy (JPA) is a nationwide program with a 20-year history of emphasizing community responsibility among our young citizens and public servants. The purpose of the Junior Police Academy is to provide young citizens with an Introduction to Law Enforcement. The goal is to motivate young people to be outstanding citizens and empower them to act as a positive influence in our community. It will also transform the traditional role of the police officer into a mentor and a friend, while encouraging our young citizens to be partners in building safer schools and communities. When you bring police officers and kids together, you get better police officers and better kids.

Class Topics Include

- History of Law Enforcement
- Criminal Investigations
- Patrol Operations
- Gangs
- Motor Vehicle Laws
- Crime Scene Processing
- Evidence Processing
- And much more....

Who Can Participate:

- Must be 11-14 years of age
- Lindenwold Resident
- Be in good standing with your school
- Interested in Law Enforcement

When is the Academy:

- July 25th thru July 29th
- Monday thru Friday
- 8:30am to 3:30pm
- Held at the Police Department

How to Apply:

Participation in the Academy is limited to 21 students so apply today. Applications can be picked up at Police Department.

When it comes to volunteer firefighting and emergency response, the volunteer numbers have declined while emergency call numbers have tripled, making it hard for fire & rescue departments across the country to protect their communities.

Volunteering as a first responder is all about having the heart and drive to make a difference where it's needed most. When you sign up to be a volunteer firefighter or emergency responder, you'll receive all the training you need. You'll learn skills to help your community during fires, medical emergencies, and accidents, just to name a few.

Lindenwold Fire Department is accepting applications for both our senior membership (18 yrs. or older) and junior membership (16 yrs. to 18 yrs.). For senior membership all you will need is a high school diploma. After you've cleared a physical and background check, we will provide all the training to meet NJ State standards. We also provide the use of our physical fitness center, incentive stipend program and the Camden County Volunteer Tuition Credit Program for college reimbursement.

If you're ready to serve your community, please contact:

Exec. Fire Administrator Michael Nolan - mnolan@lindenwoldfire.com

Lindenwold Fire District No. 1 • 856-346-0935 for more info.

2016 LEAF COLLECTION SCHEDULE

Below is the schedule for this year's Leaf Collection Program. The schedule is based upon your LEAF SECTION. You will find a list of streets in each LEAF SECTION below. Please refer below to determine what Leaf Section your street is in. Each year, we rotate the schedule by section. This year Leaf Section

2016 LEAF COLLECTION SCHEDULE

If You Reside In Leaves Must Be Raked To Curbside By

Leaf Section #1November 7

Leaf Section #6November 7

Leaf Section #4November 14

Leaf Section #5November 21

Leaf Section #7November 21

Leaf Section #2November 26

Leaf Section #3November 26

There will be a **SPRING COLLECTION OF LEAVES** during the week of May 1st, 2017. Leaves must be raked to curbside loosely... **NO BAGS PLEASE!**

GUIDELINES FOR LEAF COLLECTION

• There will be **NO WEEKLY COLLECTION OF VEGETATION DURING THE MONTHS OF NOVEMBER AND DECEMBER**. In the event of an emergency (extreme storm damage) please call the Public Works Department for special consideration for pickup of vegetation. Regular vegetation will resume on the first Monday in January.

• During your scheduled collection period, please have your cars off the street.

• Please have all leaves raked to curbside by the date specified in the above schedule for your Leaf Section.

NO BAGS PLEASE! Residents who live on the following high traffic streets may bag their leaves: White Horse Pike, Berlin Rd, Chews Landing Rd., Blackwood-Clementon Rd., Laurel Rd., and Gibbsboro Rd. ONLY.

• If you should see our trucks in your district ahead of schedule, please do not be alarmed. Should our work load permit, we may send a crew out early to begin picking up whatever has already been raked to the curb, however, all streets will be started on the date specified in the above schedule.

• **PLEASE BE PATIENT.** Along with equipment failures and weather conditions, we may experience some delays. Our commitment is to remove the leaves from your curb as quickly as possible.

• Please do not mix any vegetation (logs and branches) in with your leaves. We will be unable to collect any leaves which are mixed with other material. You may however, MIX JUST GRASS CLIPPINGS WITH LEAVES.

— All Drop Off Must Be Between 6:30am-3pm - Mon. - Fri. —

**For Questions Regarding Recycling, Please Call
The Department of Public Works at (856) 783-1848**

Citizen's Guide to Code Compliance

BEING A GOOD NEIGHBOR

Neighborhoods and structures in the Borough of Lindenwold require proper maintenance to stay in good condition as they age. Maintaining good neighborhoods is the cooperation of individual property owners and tenants. The Borough of Lindenwold Mayor and Council have adopted a standard Housing Code and other Ordinances, which create minimum standards for the betterment of our neighborhoods. These standards protect surrounding property owners and tenants from having property values negatively affected by substandard conditions.

PROPERTY MAINTENANCE

- Keep your buildings substantially free of dirt, stains, rust, mold and mildew
- Maintain brick, stone, stucco, spray painted surfaces so as to not reflect inadequate maintenance or deterioration. Sidewalks, driveways, fences, railings, roofs, exterior wall & roof must be kept in good condition.

YARD MAINTENANCE

- Mow the lawn so that grass, weeds, or other vegetation is 6 inches or less in height on developed property. Mow to the edge of any paved roadway or street, including street curb line.
- Trees over the public right-of-way and sidewalks must be trimmed up to a height of 10 ft.
- Trees over the street must be trimmed to the height of 14 ft. above street surface.
- Vehicles cannot be parked on front lawns.

JUNK, TRASH, RUBBISH, AND ABANDONED ITEMS

- Discarded items that are allowed to accumulate that are valueless, or have only nominal or salvage value and are abandoned or left unprotected from the elements on public or real property are prohibited.

RECREATIONAL EQUIPMENT

Boats, trailers, motor homes, campers, etc. may be parked or stored in a rear or side yard, but not in the front yard setback area.

CODE ENFORCEMENT COMPLAINT RESPONSE

In many instances, Code Compliance investigates a code violation and takes compliance action when a citizen reports a potential violation. If you think you know of a potential violation, you may report it in any of the following ways:

Online Email: info@lindenwoldnj.gov,

Telephone: (856) 783-2121

In person: Code Compliance office, at Borough of Lindenwold Municipal Building.

Chickens are **NOT** permitted per Chapter-75:17.

Also, under this chapter, the feeding of wildlife is prohibited including feral cats (75-20).

The Official Town Code book for the Borough of Lindenwold is available online.

You can search the Borough's Codes, you can use the Search box on the right side of the screen to view the Borough's Ordinances and Codes.

Please visit
www.lindenwoldnj.gov
or
www.ecode360.com/li0801

**THANK YOU FOR
HELPING KEEP
YOUR TOWN A BEAUTIFUL
PLACE TO LIVE!**

Grilling Safety

There's nothing like outdoor grilling. It's one of the most popular ways to cook food. But, a grill placed too close to anything that can burn is a fire hazard. They can be very hot, causing burn injuries. Follow these simple tips and you will be on the way to safe grilling.

SAFETY TIPS

- Propane and charcoal BBQ grills should only be used outdoors.
- The grill should be placed well away from the home, deck railings and out from under eaves and overhanging branches.
- Keep children and pets at least three feet away from the grill area.
- Keep your grill clean by removing grease or fat buildup from the grills and in trays below the grill.
- Never leave your grill unattended.

- Always make sure your gas grill lid is open before lighting it.

CHARCOAL GRILLS

- There are several ways to get the charcoal ready to use. Charcoal chimney starters allow you to start the charcoal using newspaper as a fuel.
- If you use a starter fluid, use only charcoal starter fluid. Never add charcoal fluid or any other flammable liquids to the fire.
- Keep charcoal fluid out of the reach of children and away from heat sources.
- There are also electric charcoal starters, which do not use fire. Be sure to use an extension cord for outdoor use.
- When you are finished grilling, let the coals completely cool before disposing in a metal container.

PROPANE GRILLS

Check the gas tank hose for leaks before using it for the first time each year. Apply a light soap and water solution to the hose. A propane leak will release bubbles. If your grill has a gas leak, by smell or the soapy

bubble test, and there is no flame, turn off both the gas tank and the grill. If the leak stops, get the grill serviced by a professional before using it again. If the leak does not stop, call the fire department. If you smell gas while cooking, immediately get away from the grill and call the fire department. Do not move the grill.

If the flame goes out, turn the grill and gas off and wait at least 5 minutes before re-lighting it.

FACTS

- July is the peak month for grill fires.
- Roughly half of the injuries involving grills are thermal burns.

SOLUTIONS TO STORM WATER POLLUTION

Pollution on streets, parking lots and lawns is washed by the rain into storm drains, then directly into our drinking water supplies, and the oceans and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste and grass clippings end up in our drinking water.

Storm water pollution is one of New Jersey's greatest threats to clean and plentiful water and that's why we're doing something about it. By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of the storm water.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to storm water pollution. Breaking these rules can result in fines or other penalties. As a resident, business or other member of the community, it is important to know these easy things you can do every day to protect our water:

LIMIT YOUR USE OF FERTILIZER AND PESTICIDES

1. Do a soil test to see if you need a fertilizer
2. Do not apply fertilizers if heavy rain is predicted.
3. Look into alternatives for pesticides.
4. Maintain a small lawn and keep the rest of your property or yard in natural state with trees and other native vegetation that require little or no fertilizer.
5. If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

PROPERLY USE AND DISPOSE OF HAZARDOUS PRODUCTS

1. Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, anti-freeze and paints.
2. Do not pour any hazardous products down a storm drain because the storm drains are usually connected to local water bodies and the water is not treated.
3. If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
4. Recycle used motor oil.

5. Contact your municipality, county or facility management office for the locations of hazardous waste disposal facilities

KEEP POLLUTION OUT OF STORM DRAINS

1. Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local water bodies.
2. Do not let sewage or other waste flow into a storm water system.

CLEAN UP AFTER YOUR PET

1. Many municipalities and public agencies must enact and enforce local pet waste rules. An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
2. Make sure you know your town's or agency's requirements and comply with them. It's the law: Remember to use newspapers, bags or pooper-scoopers to pick up waste. Dispose of the wrapped pet waste in the trash or unwrapped waste in a toilet and never discard pet waste in a storm drain.

DON'T FEED WILDLIFE

1. Do not feed wildlife, such as ducks and geese.
2. Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding.

DON'T LITTER

1. Place litter in trash receptacles.
2. Recycle, Recycle, Recycle.
3. Participate in community clean-ups.

DISPOSE OF YARD WASTE PROPERLY

1. Keep leaves and grass out of storm drains.
2. If your municipality or agency has yard waste collection rules, follow them.
3. Use leaves and grass clippings as a resource for compost.
4. Use a mulching mower that recycles grass clippings back into the lawn.

EFFECTIVE JANUARY 1, 2011 - The State of New Jersey has implemented "The Electronic Waste Management Act", this act is a disposal ban of "covered electronic devices", which

include televisions, computers, monitors and laptop computers.

You can no longer put these items out with your trash. Lists of these items are listed below.

You may drop off any of these items at the Lindenwold Public Works Garage, 861 Gibbsboro Road, between the hours of 6:30am till 3:00pm.

OTHER ELECTRONICS WASTE RECYCLING LOCATIONS

The Salvation Army: (800) SA-TRUCK or (800) 728-7825
Goodwill: offers some donation & recycling options
Best Buy: offer recycling options (fees may apply)
Also, you may drop them off at the next Camden County Electronic Recycling Collection:

CAMDEN COUNTY ELECTRONIC RECYCLING COLLECTION NO LONGER ACCEPTS TVS

JUNE 18th

Gloucester Twp. Camden County College
Parking Area (TBD)
8:30am-3:00pm

OCTOBER 1st

Camden County Highway Department
2311 Egg Harbor Road Lindenwold
8:30am-12:30pm

ITEMS NOT TO BE PUT OUT WITH TRASH

Televisions, Monitors, Computers, Printers, Fax Machines, Copy Machines, VCR's, DVD's, CD Players, Household Appliances, Toasters, Blenders, Etc.

IF IT USES A PLUG OR BATTERIES WE RECYCLE IT!

Any questions please call the Public Works Department - 783-1848 - 8:00am-3:00pm

LINDENWOLD SEWER DEPARTMENT

The Lindenwold Sewer Department is responsible for the maintenance and repair of all sewer lines, manholes and pumping stations within the Borough. Sewer lines are maintained by the Borough only up to the curb line. For any sewer related questions or for general information, call 856-784-4400, between the hours of 6:30am-3:00pm, Monday through Friday. After normal hours please leave your name, phone number, and a message on the answering machine, and we will return your call as soon as possible. In case of a sewer emergency, please call 856-783-1333.

SOCIAL MEDIA SAFETY TIPS

- Don't give out your personal information such as your phone number, email address, birthday or home address.
- Think about what you post. Don't post inappropriate comment, use foul language or upload pictures that could get you in trouble. Potential employers may look at your social media site and deny you a position because of offensive posts and pictures.
- Send or accept friend requests only from people you know. One way to stay safe is to make sure all of your friends are people you truly know.
- Be careful of what you and your friends share. Ask your friends not to post pictures or videos you may be in or conversations that you've had with them unless they have your permission. Privacy settings are available that require you to approve any post or comment before it attaches to your profile.
- Be sure to cover or turn off your laptop camera. When you are not using your laptops camera be sure to turn it off or cover it up. Hackers have found ways to hack into your computers built in camera and see what your laptop camera is viewing.
- Don't share your password with your friends. Aside from your parents, your password information is just that- yours.
- Control GPS-tracking settings. If you have a smart phone and you are using it to go onto social media site, see if you have enabled the geo-locations service, and if so, turn it off. Facebook and other social media sites offer a "check-in" feature at registered locations. Using this feature lets everyone in your network and those of your friends know where you are, even those you may not want to know, and it also alerts wrongdoers to the fact that you are not home.
- Share your vacation plans and photos after you get home. Posting pictures and sharing your location lets everyone with access to your account where you are. Don't advertise that your home is going to be empty.

Pay Your Municipal Utilities and Taxes ONLINE

E-check, Debit
and Credit Cards

TAX OFFICE

Greetings from the Tax Office!

****The Solid Waste Utility has been dissolved. There will be no more BILLINGS.****

- Property tax bills are usually mailed the end of June or beginning of July and consist of FOUR quarterly payments due February 1st, May 1st, August 1st and November 1st. We do have a TEN day grace period; however, if not paid by the close of business on the 10th, the interest reverts back to the first. If you have a mortgage company who escrows for your taxes, they get the original bill and you receive an advice copy. This advice copy is what you would then use, should you pay off your mortgage. The back of the bill contains some important information; please take the time to read it when you can.
- The tax office is also responsible for the billing and collection of the sewer bills. These are mailed out once a year, usually in June and consist of FOUR quarterly payments due July 1st, October 1st, then January 2, 2017, and April 1, 2017.
- The tax office is mandated by the State to hold a tax sale every year. Some people confuse this with a Sheriff's Sale. The tax office DOES NOT sell your home or property. We are "selling" the amount of delinquent monies owed to the Borough for the prior year. We must also handle the delinquent charges for the CCMUA for the prior year as a tax sale can only be handled by a certified tax collector.
- For your convenience, pay your taxes and sewer online for a minimal charge. No credit card, or debit card payments at the office only cash or check. If you are mailing in your payment and would like to have a receipt, please include a self-addressed STAMPED envelope and we will get it to you.

DID YOU KNOW?

BEWARE OF SCAMMERS...

By Council President
Cheryl Randolph-Sharp

You hear about it all the time, someone calls on the phone or receives a very official letter and the person responds and is defrauded out of money or their identity.

The Federal Trade Commission (FTC) has consumer information to help avoid frauds:

Learn to Spot Imposters: Scammers often pretend to be something or someone you trust, like a government office, a family member, friend, charity or company you do business with. Never send money or give out personal information by phone, text, mail or email.

Do online searches, type in company name with words complaint or fraud.

Don't trust your caller ID; technology makes it easy for scammers to fake caller ID information. The name and number that appears on your phone may not be for real. If someone calls asking for money or personal information, hang up.

Don't pay upfront for services not rendered, debt relief, loan offers, mortgage assistance,

a job or a prize. They may tell you, you have to pay taxes before receiving a prize you have won.

Talk to someone you trust before providing any funds or information. The scammer may try to use threats, slow down and take the time to verify and discuss with someone. Don't be bullied by the caller.

Hang up on robocalls, if you hear a recorded sales pitch, hang up and report this to the FTC. These type calls are illegal and often the products are bogus.

Be skeptical of free trials offers, some companies use this to bill your credit monthly until you cancel.

Don't deposit any check and wire money back, uncovering a fake check could take weeks, if a check you deposit into your account turns out to be fake, you will be responsible for paying the bank back.

Don't give anyone your bank account number, social security number that contacted you. If they call and say they are from your bank or your credit card company. Hang up and call them directly. The IRS does not phone for debt.

Change your passwords immediately if you detect something odd.
